

LexCares

A Step-by-Step Guide for Physicians

STEP 1

Physician's office completes the Enrollment Form and faxes completed form to one of these LexCares Specialty Pharmacies:

Biologics, Inc.

Toll free: 1-800-850-4306

Fax: 1-800-823-4506

Hours of operation: M-F 9AM-6PM (ET)

Pharmacist available 24/7

Diplomat Specialty Pharmacy

Toll free: 1-877-977-9118

Fax: 1-800-550-6272

Hours of operation: M-F 9AM-9PM, Sat 9AM-5PM (ET)

Pharmacist available 24/7

STEP 2

The LexCares Specialty Pharmacy will verify that the Enrollment Form has been fully completed by the physician's office.

STEP 3

Once the enrollment form is processed, LexCares will:

- Verify insurance coverage for the patient
- Arrange delivery of the XERMELO™ Starter Kit, which includes an initial supply of XERMELO™

For patients with commercial insurance:

Lexicon Pharmaceuticals offers \$0 copay up to \$10,000/year.

The LexCares Specialty Pharmacy will process the copay.

For patients with Medicare/Medicaid or no insurance:

The LexCares Specialty Pharmacy will help to identify an appropriate patient assistance program.

LexCares will reach out to the physician's office if any additional information or forms are needed in order to process eligible benefits.

STEP 4

The LexCares Specialty Pharmacy will call the patient to schedule delivery of the XERMELO™ Starter Kit.

During the call or after the patient has received his/her shipment, the LexCares Specialty Pharmacy will:

- Review the contents of the XERMELO™ Starter Kit
- Explain how to take XERMELO™ and dosing information
- Answer any additional questions about XERMELO™

STEP 5

Following up:

The LexCares Specialty Pharmacy will reach out to patients monthly to schedule refills and check in on progress.

Pharmacists are available 24/7 at both LexCares Specialty Pharmacies for the patient to address issues and answer questions.

- **Biologics, 1-800-850-4306** or
- **Diplomat, 1-877-977-9118**

If you or your patient has questions about XERMELO™, please contact LexCares by calling 1-844-XERMELO.
